

## **Huntingdonshire Philharmonic : Season Ticket booking information for 2022-2023**

For our 2022 – 2023 Season we are making the season tickets for our Supporters more flexible by offering a choice of three options, each with a different level of discount on the full ticket price of £18. Please note that there is no special discount on £6 student tickets, as the student ticket price has already been reduced.

In addition to your discounted season ticket, you are given preferential seating for your selected concerts, together with admission to rehearsals on concert day, and receipt of information about all the Society's concerts and social events. The three options are:

<b>Bronze Supporter</b>	<b>booking any 4 concerts</b>	<b>£65</b>	<b>a discount of 10%</b>
<b>Silver Supporter</b>	<b>booking any 5 concerts</b>	<b>£77</b>	<b>a discount of just under 15%</b>
<b>Gold Supporter</b>	<b>booking all 6 concerts</b>	<b>£87</b>	<b>a discount of 20%</b>

Your Supporters season ticket will be valid for each of the concerts you book. It will include your name, the dates of each concert, and the seat row and number (if at the PAC).

To help you to choose your seats, a seating plan of the PAC is attached. Please note that seats in the PAC that have been occupied each season by our regular subscribers have already been reserved for them by blocking them off with the letter R.

Once you have decided which concerts you would like to attend, please complete this duplicate form for your own records.
